

# KEMPSVILLE VOLUNTEER RESCUE SQUAD

For almost half a century, KVRS has responded to emergencies involving illnesses and injuries of all natures and magnitudes in Kempsville and beyond. We provide skilled, compassionate medical care, safe and rapid ambulance transportation, and quick and effective rescue services. We take particular pride in our long history of partnership and cooperation with area firefighters, and in our progressive track record.

Recently, media attention has focused on the city's provision of fire & emergency medical services.

## UPDATE

*WE WANT YOU TO KNOW where we stand:*

Recommendation	KVRS SUPPORTS IT	Progress Report
<b>The city should have more firefighters.</b>	<input checked="" type="checkbox"/>	<ul style="list-style-type: none"> <li>• KVRS endorses this recommendation.</li> </ul>
<b>The city should have more fire stations.</b>	<input checked="" type="checkbox"/>	<ul style="list-style-type: none"> <li>• KVRS endorses this recommendation.</li> <li>• All fire trucks will have a full set of ALS gear by this summer.</li> </ul>
<b>Fire trucks should carry Advanced Life Support (ALS) medical equipment.</b>	<input checked="" type="checkbox"/>	<ul style="list-style-type: none"> <li>• Several fire trucks have had a full set of ALS gear for more than two years.</li> <li>• All fire trucks have had cardiac defibrillators for more than nine years.</li> </ul>
<b>Firefighters should be able to use paramedic skills without having to volunteer.</b>	<input checked="" type="checkbox"/>	<ul style="list-style-type: none"> <li>• Firefighters <i>can &amp; do</i> use paramedic skills <i>without having to volunteer</i>. This has been the case for several years throughout Virginia Beach.</li> <li>• KVRS encourages all firefighters to partner with the Rescue Squad to ensure consistency in the delivery of quality patient care.</li> </ul>

For more information, or to schedule an engagement for our Speakers Bureau, call President Kevin Lipscomb at 340-KVRS (box 4).

We'll be there...
