

September 2000

Dear Neighbors,

In May, we started our Year 2000 direct-mail fund drive campaign. This letter is an update – a friendly reminder that as our work continues, so does our reliance on your support.

As of this week, we have collected 60% of the funds we'll need to get through this year. That leaves us \$75,000 shy of our goal. **We still look to you** to help us reach our objective.

Our 130 members provide the manpower, the skills, the compassion – and the lost sleep – to deal with local emergencies. We also do all the behind-the-scenes work that it takes to maintain a thriving **all-volunteer** rescue squad.

We count on **you** to provide the final “piece of the pie” that makes us the full-time, full-fledged paramedical rescue service that we are.

KVRS fills a niche that is critical to the well being of the community: *We train and empower productive, enthusiastic, resourceful citizens who want to play a meaningful role in mitigating local emergencies.* We've been doing it for along time, and we do it very, very well.

Please take a moment now to send us your tax-deductible contribution. Or call 340-KVRS to join the squad and receive free training. Do it as if the community depends on it!

Sincerely,

Paramedic Kevin Lipscomb
President

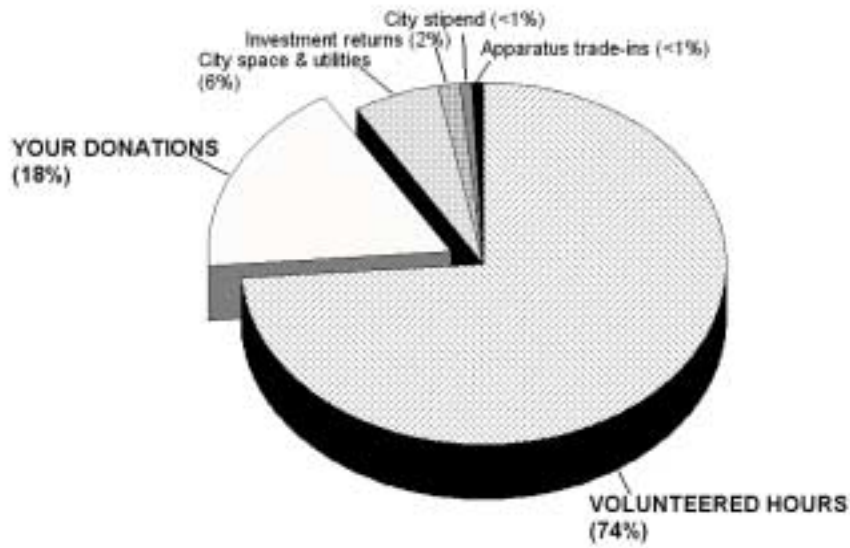

For your safety...

- **All ambulances and now all fire trucks carry a full set of emergency medicine and advanced medical gear.**
- **The rescue squads have asked the city to remove perceived obstacles that kept firefighters from rendering quality life-saving skills.**

WITH YOUR HELP, WE'LL BE THERE WHEN SECONDS COUNT!

Where it comes from...

Operating budget: \$1,025,188

Where it goes...
